

Volunteer Opportunity: Peer Support Leader in Empowered by Nature's Summer Programs

Are you a motivated and compassionate individual aged 15 or older, looking for a rewarding way to spend your summer? Empowered by Nature invites you to join our Play it Forward Program as a Peer Support Leader. This is an exciting opportunity to make a positive impact on the lives of younger children who could benefit from additional support in our inclusive recreational and educational summer programs.

At Empowered by Nature, we are dedicated to promoting leadership and accountability in youth while fostering social integration, environmental awareness, physical activity, self-confidence, and personal development. As a Peer Support Leader, you will have the chance to engage in various activities such as crafts, games, outdoor adventures, gardening, and more, alongside enthusiastic children who love to have fun.

Responsibilities:

- Assist in the implementation of recreational and educational activities during summer programs
- Provide one-on-one support to children who may require additional assistance
- Foster a safe and inclusive environment for all participants
- Collaborate with our team of outdoor leaders, educators, recreational therapists, and behavior interventionists
- Act as a positive role model and mentor to younger children

Benefits:

- Gain valuable experience in leadership, teamwork, and child development
- Participate in training sessions, including Highfive and First Aid, to enhance your skills
- Build your resume and receive a reference letter upon completion of the volunteer program
- Enjoy a summer filled with fun and rewarding experiences
- Reduced fee to join our teen programs as a volunteer
- Make a difference in the lives of children and contribute to positive change

To join our Play it Forward Program as a Peer Support Leader, please contact Kyla at kyla@ecoplay.ca. Let us know your interest, availability, and any relevant experience or skills you possess.

We are excited to welcome enthusiastic individuals who are passionate about empowering younger youth through inclusive recreational and educational programming.

Empowered by Nature believes in the potential of youth, and together, we can create a brighter future. Join us today!
